Chapter Website Introduction

Kristiyan introduced our chapter website, ASAPTK.ORG. He navigated us through the website, focusing on the new officer's profiles.

Regional Update

Arvind provided regional updates. He briefly explained the different levels of Phi Theta Kappa—chapter, regional, and national. We are apart of Alpha Sigma Alpha chapter, and NV/CA region. Our region consists of 98 chapters within two states. Arvind represents 24 of those chapters. One of the many things that is going on in the region is that, NV/CA started using teleconferences as the new way for different districts to communicate. Arvind mentioned that Kristine Lowe, our VP of Operation, joined the teleconference that happened a few weeks ago. There will be an upcoming teleconference for the Northwest District. It will take place this Saturday, October 8th, from 1 – 2pm. He will send more details about the conference through email.

Regional Conference

Bia and Arvind talks about the HIA conference that will take place in Reno, Nevada, October 14-16. The first conference will start at 4:30 PM, Friday, October 14.

The conference will have keynote speakers, leadership trainings, workshops and debates. Arvind will be doing workshops at the conference.

Anita asked what is the dress code at the conference? Arvind said that most of the time it will be casual, but for dinner it might be formal.

Bia asked everyone to do online registration for the conference ASAP and turn in a check in the amount of \$110 to Charlie's office, S-76g.

Arvind recommended everyone that is going should book the hotel room because it is filling up very quickly.
